Re: The Zahal Disabled Veterans Organization

Shalom,

Since its establishment 73 years ago, the Zahal Disabled Veterans Organization has worked tirelessly to support our heroes wounded while defending the State of Israel. Today, its sacred work reaches nearly 50,000 wounded and disabled men and women, aiding each and every one of them on their personal road to recovery, rehabilitation, and beyond.

Through its work, the organization fulfills a sacred mission: standing up for those who have served and sacrificed on behalf of us all. From physical and mental rehabilitation to a whole host of other services, the important work of the Zahal Disabled Veterans Organization is set apart by its professionalism and extraordinary commitment to our wounded heroes.

Your important work embodies the values at the very heart of Israeli society: service, mutual responsibility, and never leaving anyone behind. On behalf of the State of Israel, I convey my sincere gratitude to the Zahal Disabled Veterans Organization, its volunteers and supporters for improving the lives of the thousands of wounded and disabled veterans who are an integral part of Israeli society.
